In *Nineteen Eighty-Three*, David Peace brings his astonishing series of riveting, gritty crime novels to a shocking conclusion. With three separate narrators whose paths are on a collision course, Peace makes a dark study of perverted justice, retribution, and urban decay. Maurice Jobson is a Yorkshire cop whose greed and corruption has rotted the police force to the core; BJ is a local street thug who finds he can no longer safely lurk in the shadows; and John Piggott, a lawyer, is as honest and forthright as they come. His investigation of a long-cold murder might just be the cure for Yorkshire's woes, but he'll need to get through it alive first.
