Cela wants to explore the new desires Foster has awakened within her, but is she really ready to submit? As Roni Loren's *Not Until You* continues, Foster will find out exactly how far Cela will go...

Foster has been pushed past the point of temptation. So even though he fears Cela's interest in his world is a passing whim, he agrees to teach her the art of submission. But he's not going to hold anything back--if she wants to see this side of him, he's going to show her how deep his dominance runs.

Cela's initial intrigue begins to give way to doubt as she struggles with the submissive role and the desires it stirs within her. Having spent her whole life being controlled by her domineering father, she's unsure if she's ready to put herself under the command of another man. But when she breaks Foster's most important rule, she puts herself in a situation more intense than she bargained for...

Includes a bonus excerpt of Roni Loren's novel, *Caught Up In You*.
