California private investigator Kinsey Millhone is hired to solve a decades-old cold case in this "undeniably entertaining" (*Los Angeles Times*) #1 *New York Times* bestseller from Sue Grafton.

Kinsey tries to pick up a trail by speaking to those who remember Violet; and perhaps were more involved in her life than they let on. But the trail could lead her somewhere very dangerous. Because the case may have gone cold, but some people's feelings about Violet Sullivan still run as hot as ever...
