The telephone calls billed it as the Aryan Underground's finally breaking cover in a stunning wave of nationwide violence. But clues pointed to a single perpetrator: A one-man strike force of race hatred and murder.

Seasoned veterans, Special Agents Flynn and Tanner have never seen homicide like this; a rampage of rape, torture, synagogue burnings, and sniper's fire. There's no pattern; except raw hatred; to the killer's odyssey. But Flynn and Tanner know their quarry is planning a final mass killing of unprecedented proportions.

And, as the tension builds, they're primed to make their move when the shooting starts.

Prepare yourself for a heart-stopping climax
