This book is a collection of great treats you can make at home for your dog. Each one is designed to be healthy and delicious as well as much less expensive than similar store bought treats. Recipes include pookies (cookies), puffins (muffins), biscuits, bones, pupcakes (cupcakes), nibbles and crackers as well as frozen treats that will delight even the most finicky pooch. They make great gifts for all your furry canine friends and family too! Updated to include links to ingredient resources and ready made organic, healthy treats for when you don't have time for home-made.
