In Dawn City, where darkness and pain evade the morning sun, lives Doctor Gordon Vincent. He is 62. He lives with a dark secret. He was once an outlaw. An outlaw who stood up to the injustice around him. He was...The Ghost, protector of Dawn City. Long retired for over 23 years, he has returned under the guise of his alter ego. Along with a new secret lair and the latest advanced technology to declare war on the criminals of Dawn City.

Taking on criminals and even the law itself, The Ghost will go to extreme lengths to battle the darkness around and inside of him.

Old enemies will return. New enemies will emerge. Mysteries will be revealed. A legend will rise...again!!
