A young adult fantasy about the ancient gods in modern times.

A teen becomes entangled with the gods of Mount Olympus when Thanatos, the god of death, wants to meet her. He makes a deal with his father, Hades, to go to the underworld. The deal requires that a murder be avenged with the help of his sisters, the Furies.

Part paranormal romance and part adventure story, this trilogy follows Therese's adventures as she struggles to overcome challenges by the gods her in her quest to become like them.

This series was initially written as a trilogy and can end with the third book, or you can keep reading through all six. This box set includes the first three books only. The Gatekeeper's Trilogy II contains books four through six. There's also a spin-off trilogy. Follow Therese's adventures as she strives to become a goddess in the ancient Greek pantheon.
