History of Paraguay is an extraordinary book about this Republic of South America, the Paraguay. Although it was written in the XIX century, this book is fundamental to understand the roots of the Paraguayan War (1865-1870) as well as the character of South American nations. Its author, Mr. Charles Ames Washburn, was a US Minister in this country from 1861 to 1868, so he was an eyewitness to tragic events that took place in Paraguay at that time. It is a fundamental book for those who want to understand the soul of South America.

This first volume covers from the discovery of Paraguay to beginning of Francisco Solano Lopez government.
