Rodney Saulsberry, a successful voice-over artist, provides an invaluable resource for novices attempting to break into this unique area of show business. Serving up tips on how to choose an instructor, how to find an agent, and how to tackle an audition, he lays out a practical blueprint for getting started as a voice-over actor. For those who have secured a coveted job, he offers technical support, financial advice, and long-range career planning. This accessible guide to the entire voice-over industry delivers a detailed account of an exciting and lucrative profession. Margaret Flanagan
