In *Deadly Deception*, the second crime fiction thriller book of Alexa Grace's *Deadly Series*, enter the disturbing world of illegal adoptions, baby trafficking and murder with new detective Lane Hansen and private investigator Frankie Douglas.

Lane Hansen has a problem. He needs a woman to portray his wife in an undercover operation and the only females on his team are either very pregnant or built like linebackers who prefer the other team. Then he remembers gorgeous P.I. Frankie Douglas; a woman who could take his breath away by her beauty and take him down in 2.5 seconds. Unfortunately, she's the same woman he treated like a one night stand six months before.

Frankie Douglas has a problem. She wants to rid the world of one baby trafficking killer. The only way to do that is to partner with Lane Hanson, the man who hurt her by disappearing from her life after a night of mind-blowing sex.

They've been warned! Getting personally involved with a partner can put cases and lives at risk. Going undercover as husband and wife, Lane and Frankie struggle to keep their relationship strictly professional as their sizzling passion threatens to burn out of control.
