**She thinks she's up for a promotion to manager, but I have a different kind of promotion in mind.**

When I'm offered a special promotion with a pay increase that can clear up all my debts, I barely think twice before accepting. Being a billionaire's personal assistant can't possibly be that difficult, can it?

Except my boss doesn't just expect me to make him coffee. Ignoring my strictly religious background, it's like every day is a game to him to see how far he can push my limits before I quit.

Xan Sanderlin is a complete pervert; a sinfully handsome pervert with an amazing body that he likes to tempt me with. I'm convinced that he's the devil incarnate. He threatens to fire me if I don't obey his every command. He punishes me for things that no rational woman would endure. And despite all my resolve to remain pure, I'm starting to cave.

A girl can only handle so many sexy glances and seductive whispers. And when he puts his hands on me; I fear that my soul is lost.

*This is a standalone romance with an HEA and NO cheating!*
