Part Bible study, part cup-of-coffee-with-a-friend, *Enough* offers encouragement to those seeking to live life to the fullest, but not always feeling fulfilled. Author Elise Knobloch considers the ancient Hebrews' daily gathering of manna—an amount that God defined as 'Enough' for them—and reflects on how we can find contentment in God's daily gifts as well. Using wit, biblical research, and a healthy dose of self-deprecating humor and sarcasm, Elise invites readers to allow their human authenticity to be the very space in which God's glory shines the brightest. The Hebrews had much to learn about depending on their God, and perhaps we do too, as we seek to find our Enough in a God who offers exactly what we need.
