The Great War may be over, but one young woman discovers that some battles can be much closer to home...

Infidelity and long-kept secrets threaten to destroy a family in Pamela Evans' gripping between-wars saga, *Harvest Nights*. Perfect for fans of Dilly Court and Cathy Sharp.

It's 1920, and ex-land girl Clara Tripp is back home in West London with her family. Despite her engagement to local boy Arnold, Clara is feeling trapped in her dead-end job and longs to return to the countryside. An unexpected meeting with old flame Charlie Fenner leads to a temporary job at his family's orchard in Kent. Clara is finally content, but the longer she spends with the Fenners, the more she begins to suspect that all is not what it seems. What is the dark secret that hangs over them all? As Clara's feelings for Charlie grow, she realises she has an enemy on the farm who wants her gone at any cost...
