A Best Book of the Year: NPR, *Financial Times*

Passionate, compassionate, vitally inventive and scrupulously playful, Ali Smith's novels are like nothing else. Borrowing from painting's fresco technique to make an original literary double-take, *How to be both* is a novel all about art's versatility. It's a fast-moving genre-bending conversation between forms, times, truths and fictions. There's a Renaissance artist of the 1460s. There's the child of a child of the 1960s. Two tales of love and injustice twist into a singular yarn where time gets timeless, structural gets playful, knowing gets mysterious, fictional gets real and all life's gifts get given a second chance.

Book review: 'How to Be Both,' by Ali Smith - The Washington Post - Book 25 Terrible Ways to Start a Novel - Bookfox - Shepparton Art 15 Books By Queer Writers You Should Read - BuzzFeed News - let me tell you about some of the praise the book has already received.
