Secrets uncovered, mysteries unravelled and a friendship to last forever. This is a story about grief, friendship and identity.

One year ago, Emma's twin sister, Laura, died at their birthday party and since then Emma's life has not been the same. Without her louder and stronger sister, Emma starts to feel lonely and invisible, missing the one person she could always rely on to be at her side. Then she meets Lexi and everything changes.

Lexi is wild, crazy and surrounded by mystery, and Emma quickly finds herself pulled into the orbit of 'Lexiland', a place where it seems like anything can happen. And, as their friendship grows, Emma starts to realise that letting someone new into your life can be the best way to mend a broken heart...
