The state botches the execution of mass murderer Eddie Landers, and the evil man is resuscitated by Dr. Kirk Lerner. The families of the victims and the state of North Carolina insist on a new execution... that is if they can find Landers, who escapes the prison hospital on a mission for God. Kirk and his family are the central focus of Landers' plan.

Kirk has begged God to restore meaning to his existence since the death of his wife. Landers seems like an odd Lifeline, but after all, God works in mysterious ways.
