A soldier kills another soldier but a spy misleads an entire army.

Set during the turbulent years of the Second World War while India was fighting tooth and nail for her independence, O tells the story of an Anglo-Indian freedom fighter in the Indian National Army. His quest for freedom leads him onto a historic and spiritual adventure amid the great war. Doing espionage and propaganda for the INA, does Mr. O find the truth?

Mr. O, as he is called by a mysterious ghost, remembers his past in the pre-partition India while he is traveling to Faizabad in January 1984 to meet Gumnami Baba, an anonymous saint who was rumored to be Subhash Chandra Bose, India's exiled hero & the head of the Indian National Army.
