Rose tem uma capacidade quase mágica para que seus desejos se tornem realidade. Pelo menos parece. Aos quinze anos escreveu uma lista:

1. Conhecer Rodolfo Vitti pessoalmente
2. Ir a Roma
3. Ir a Paris
4. Ir a Veneza. Passear na gondola com meu amor

Parecia algo pouco menos que impossível para uma simples menina do Alabama que nem sequer poderia terminar seus estudos. Mas seu desejo não mero um sonho foi concedido, como Rose está casada com Rodolfo Vitti. Concederiam-lhe os demais? Rose começa a temer que assim seja, pois está descobrindo que as vezes os sonhos podem se tornar pesadelos.

□
