Christy Mathewson's famous book of "Baseball From the Inside," originally published in 1912, now presented in a brand new edition by historian, actor, writer and biographer Eddie Frierson, illustrated with over 100 historic photographs and including new additional writings (letters, articles and interviews) by and with Mathewson that have never before been published in book form. This is a grand piece of baseball history experienced by one of the greatest ballplayers that has ever lived. Christy Mathewson was more than baseball during his lifetime. He was the most recognizable American across the globe (along with Teddy Roosevelt) during the first two decades of the 20th Century. His insights on life and the lessons he taught continue to inspire those who discover him today. The Mathewson Foundation brings you this all new edition and hopes to introduce you, the reader, to a new friend and fascinating man.
