The Mating Games gathering has arrived!

Finding ones mate is not always easy. Not everyone's mate is always the same species and the Council knows this, so they designed a way for all types of shifters and other paranormals to come together. Have some fun, meet new people, and if you are one of the lucky ones....find your mate.

Just being a skunk shifter, isn't easy. Try being a skunk as well as a socially inept genius. For Ricky, that was his life. However, he was now at the Mating Games to try and change who he is. He wanted a mate. He wanted someone that would love him for who he is and not think him strange or boring.

Derk had been trying to find his mate for years. With the urging of his best friend, Derk said he would give the Mating Games gathering one last chance. Being the quarterback to the large shifter football team requires lots of practice. However, he didn't expect it to bring him to his adorable mate.

The thing is, not only does Derk want him, but so does the Council, and they will do whatever it takes to have Ricky in their possession.

Can Derk keep his mate safe, or will the council jump in and intercept his mating.
