A boring eighth grade field trip to a historic theater turns into a wild adventure when Tracy, Nate, and Dylan discover a book that hints at a mystery involving a 1920s speakeasy. The book appears to be an account ledger for the speakeasy and it contains a series of numbers that may be a combination to a safe. Is there a safe hidden in the old theater? The three friends return to the theater under the cover of darkness, but someone else interrupts their visit. Who is this person and what have they come for? Follow the twists and turns of the Blind Tiger as Tracy, Nate, and Dylan uncover the answers to this thrilling mystery.
