Scoutmaster Dave Carson takes his seasoned Scouts on a 5-day hiking and camping trip on the Las Cruces Trail, retracing the route of the adventurers who crossed the Isthmus to California to hunt for gold. The group gets lost and stumbles on the remains of three murdered prospectors who had struck it rich. Their dead mules and a fortune in 50 lb gold ingots is laying among the remains. The problem is how to transport the gold out of the jungle and this is compounded by the presence of a demented Scouter who prowls the jungle lamenting the lost of his son and threatening anyone who gets in his way.
