Standing barefoot before him I only came up to his chest, so clutching the soap tightly I managed to smear some suds over the front of his shoulders. Then working lower I lathered his hard muscular pecks. I glanced up to see him checking me out with a half-smile on his lips, probably seeing that I didn't miss a spot; there was no chance of that!

I moved on to wash under his armpits before tackling each long arm. After spending some time on that flat rock-like stomach, I took a step back.

'Turn around.'

'You haven't finished yet.' He looked down and I knew what he was referring to.

'That part looks really dirty, I think I'll leave it til last.' I gave him one of my sexiest smiles.

He laughed warmly even as he slowly spun around for me.

'Mmm.'

It sounded like he enjoyed the way I was massaging the curve of his lower back. I lingered at this spot for a while, tempting and teasing him. I heard his indrawn breath as I slowly moved the soap down over his firm bottom. It felt like there wasn't

even an ounce of fat under my hands; it was all muscle just like the rest of his perfectly sculptured body.
