"I want you to drive me wild," she whispered and listened to his hearty laughter as the cool object slowly caressed the inside of her calves. Shivers of anticipation raced along her nerves to the center of her desire. She recognized the feeling of leather and blushed even deeper when she realized he was using the riding crop. The idea of it made her feel oddly aroused. In a deep tone, barely above a whisper he said, "Let's play."

Librarian Sandra Dennis is a small town girl who has always dreamed of visiting France. After winning the trip of a lifetime she finds herself exactly where she wants to be; two weeks in paradise and nobody to tell to be quiet. What more could a girl want?

Suave, handsome Creighton Ashford seems to be the answer to a girl's fantasy. Living on a private luxury yacht, this eco-friendly Adonis has a way of making a heart skip and a mind forget all logic.

When Sandra learns Creighton has a mafia king after him, she joins him in a trip across France to find The Don's daughter and return her to Italy before time runs out and he's forced to marry her. In his arms, Sandra discovers an exciting world of passion, erotic desires and thrilling adventures she could never have imaged existed. Will she be able help in his quest before her vacation is over, or will she lose her heart forever?
