We are all fighting battles in one way or another; either physical, mental, or spiritual. We've all been wounded in those battles, and we've wounded others in the process. We can choose to let those wounds define who we are, or we can choose to clothe ourselves with the armor of God, stand, and fight!

Armed and Dangerous: From Wounded to Warrior can help you face the physical, mental, and spiritual battles that we face every day, inspiring you to turn to God's Word for his victorious wisdom. Author Vanessa Mininger invites you to show off your battle scars and prepare for the assaults of the world; greed, lust, gluttony, laziness, wrath, envy, and pride. But by putting on the armor of God, we can be a light in the darkness of the world, even learning how to save others from these harms.

We are all dangerous to the world through either our wounds or through our battle to be a light in an ever darkening world. It's time to go from wounded to warrior!
