Una donna viene trovata morta e si pensa che possa trattarsi di omicidio. Iniziano le indagini, ma la polizia pare essere in un vicolo cieco. Poco dopo, la stessa sorte tocca ad altre persone e cos'&#236; si scoprono particolari in comune. L'idea del serial killer salta subito alla mente degli inquirenti, finch&#233; anche il pi&#249; probabile colpevole viene trovato ucciso, freddato da un colpo di arma da fuoco. L'ispettore Zamagni e l'agente Finocchi perdono ogni certezza, fino a quando non ricevono una confessione che porr&#224; il caso sotto una nuova luce. Un thriller pieno di colpi di scena, che terr&#224; il lettore in tensione fino ad un inaspettato epilogo. □
