More guns isn't the answer, no guns isn't the answer. The answer is somewhere in the middle. Moderate gun control measures are advocated. In this book the founder of National Gun Control Advocates (NGCA) gives 13 common sense measures for better gun control.

The views are middle of the road and an attempt is made to find a compromise and solutions to the gun violence problem in the United States, without going to extremes. A link to a video is included for each chapter of the eBook.
