A BBW BDSM Billionaire Romance Series with a HEA

After Deacon makes his feelings and intentions clear to Rose, he's determined to convince her to accept his love no matter what. While Rose is forced to navigate the dangers of her on screen persona on Cupid's Match, as well as the petty annoyances of Deacon's schemes and constant advances, she discovers her feelings slowly growing.

Rose tries to cope with everything the best she can, but resisting a handsome man who knew just how to take of her the right way wasn't easy. How was a woman supposed to feel when a man told her he liked her, but was ashamed of himself for doing so?
