I can't believe I'm doing this...

Nineteen year old Hannah is on thin ice with her maid job at a local hotel, but when a nice, sexy business man starts paying her all kinds of attention -- and all kinds of money -- Hannah thinks maybe her luck is changing. She doesn't realize that the billionaire expects something in exchange from all of the large tips he's been giving her until she comes in to service his room one morning and shy, inexperienced Hannah ends up servicing *him* instead!

Hannah will have to succumb to the hot, older billionaire Michael for fear of losing her job. The question is, how much will she enjoy it?

Maid For The Billionaire is a short erotica with a hot, older, alpha billionaire, a young, untouched and inexperienced maid, and sex scenes so steamy you just might have to take a break and come back for more.
