When Charlotte's boyfriend Liam gives her a coupon for a **FREE UPGRADE** for her birthday, she has no idea what kind of upgrade Liam has in mind. Once the couple goes to redeem the coupon, she discovers that they've entered a **bimbo clinic**. Liam is surprised to learn that now, he has the power to enhance and transform Charlotte's mind and body and turn her into his **ideal woman**.

Charlotte is appalled to discover that her boyfriend wants to **pump up her breasts, plump her lips, and dumb her down**. She can't believe he'd rather have a plaything than a partner. But after her free upgrade, Charlotte couldn't be happier with the results of her transformation. The newly-confident and sexy woman is ready and willing to fulfill all of Liam's dirty desires.
