The Complete Handbook of Coaching Catchers is an in-depth, comprehensive book from one of the best catching instructors in baseball. Illustrated with nearly 400 photos; many of Major League catchers; the book covers everything coaches and catchers at every level need to know in regard to stances, receiving, blocking, and throwing, with innovative drills for each skill, plus sophisticated pitch calling and game management material. And the book isn't just for catchers; it is an excellent resource for anyone in baseball, from coaches to pitchers to other position players interested in bettering their overall game.
