Check out this steamy BWWM short story with risqué scenes and sexy, relatable characters...

Zora is an attractive black woman who happens to be short on her rent and she's looking for a way to make it up to her landlord. It's not what you think... Sylvan isn't *that* sleazy and he charges Zora with the task of cleaning his apartment up for two weeks to make up for the rent.

Throughout the week, Zora sees a string of bimbos going in and out of Sylvan's apartment and her little crush on her landlord starts to fade.

One night, Zora gets back from a bad date and Sylvan offers to comfort her. Is he the man she thought he was, or does this dashing playboy have a sweet side too?

Warning: If you're troubled by erotic encounters between 18+ black women and white men, this story isn't for you. If you love a good steamy story that will keep you turning the page... keep reading.
