She's in witness protection. He's balancing revenge and love. Can a PI solve a cold case to give them a second chance?

Elizabeth Stitchway's love for solving mysteries usually wins out over her search for a boyfriend. But she's supportive when her lonely friend Victoria looks online for companionship. When things get serious quickly with Victoria's new online relationship, Stitch discovers an incredible secret: her friend is in witness protection and the guy she met online may be the reason why&#x2026;

After Victoria goes missing, Stitch must fit together the clues from a decade-old murder case to free her friend. Will Victoria survive the social media affair, or will Stitch be forced to post a tragic status update?

*The Painter* is the third standalone novel in the Elizabeth Stitchway series of PI mystery novels. If you like intricate plots, real-world characters, and dating dilemmas, then you'll love Mary Jane Forbes' captivating tale. [Buy \*The Painter\* to solve a blank canvas crime today!](#)
