The Swallows collection includes five fables. These stories talk about such virtues as courage, helping others and having confidence in one's own abilities.

Also, readers will see the results of cowardice and understand the real reason behind people fighting, as well as how important it is to fight back in difficult situations and pursue their goals.

Young readers will meet a cowardly Seagull who stopped flying because he was afraid of hardships; A narrow-minded Hen who does not see beyond its own beak; The Hare - an incompetent carpenter who bragged a lot but was completely inept; The Crow who criticized everybody but made a fool of himself because he had nothing to show for his own work.

Buy and read to your children this entertaining and educational book with fables for kids.
