When Deidra Branch decided to leave New York, all she planned was to do something different with her life. Without any hesitation, she moved to Las Vegas and immediately grabbed the first job opening in a strip club called Wet Whistle.

All seems normal until she becomes the unwitting witness to multiple murders in the club. Stuck with her strange patron, Isaac Maier, Deidra finds herself dumbstruck as events turn from bad to worse.

On the edge and finding herself looking for answers, Deidra learns that everything is not at all what it seems. She is presented with an opportunity that she finds very hard to refuse.
