

**GOD'S POWER
FOR SALVATION**

ROMANS

When you became a Christian,
something radical happened:

When you became a Christian,
something radical happened:

1. You were taken out of Adam
and placed into Christ.

When you became a Christian,
something radical happened:

2. You became a brand-new person
with a brand-new kind of life.

When you became a Christian,
something radical happened:

3. You now have the same relationship
to sin that Christ has to sin.

When you became a Christian,
something radical happened:

4. You were set free from
the power of sin.

If I'm so free then why,
functionally and practically,
does it still feel like
I am a slave to sin?

**Sin resides in
your mortal body.**

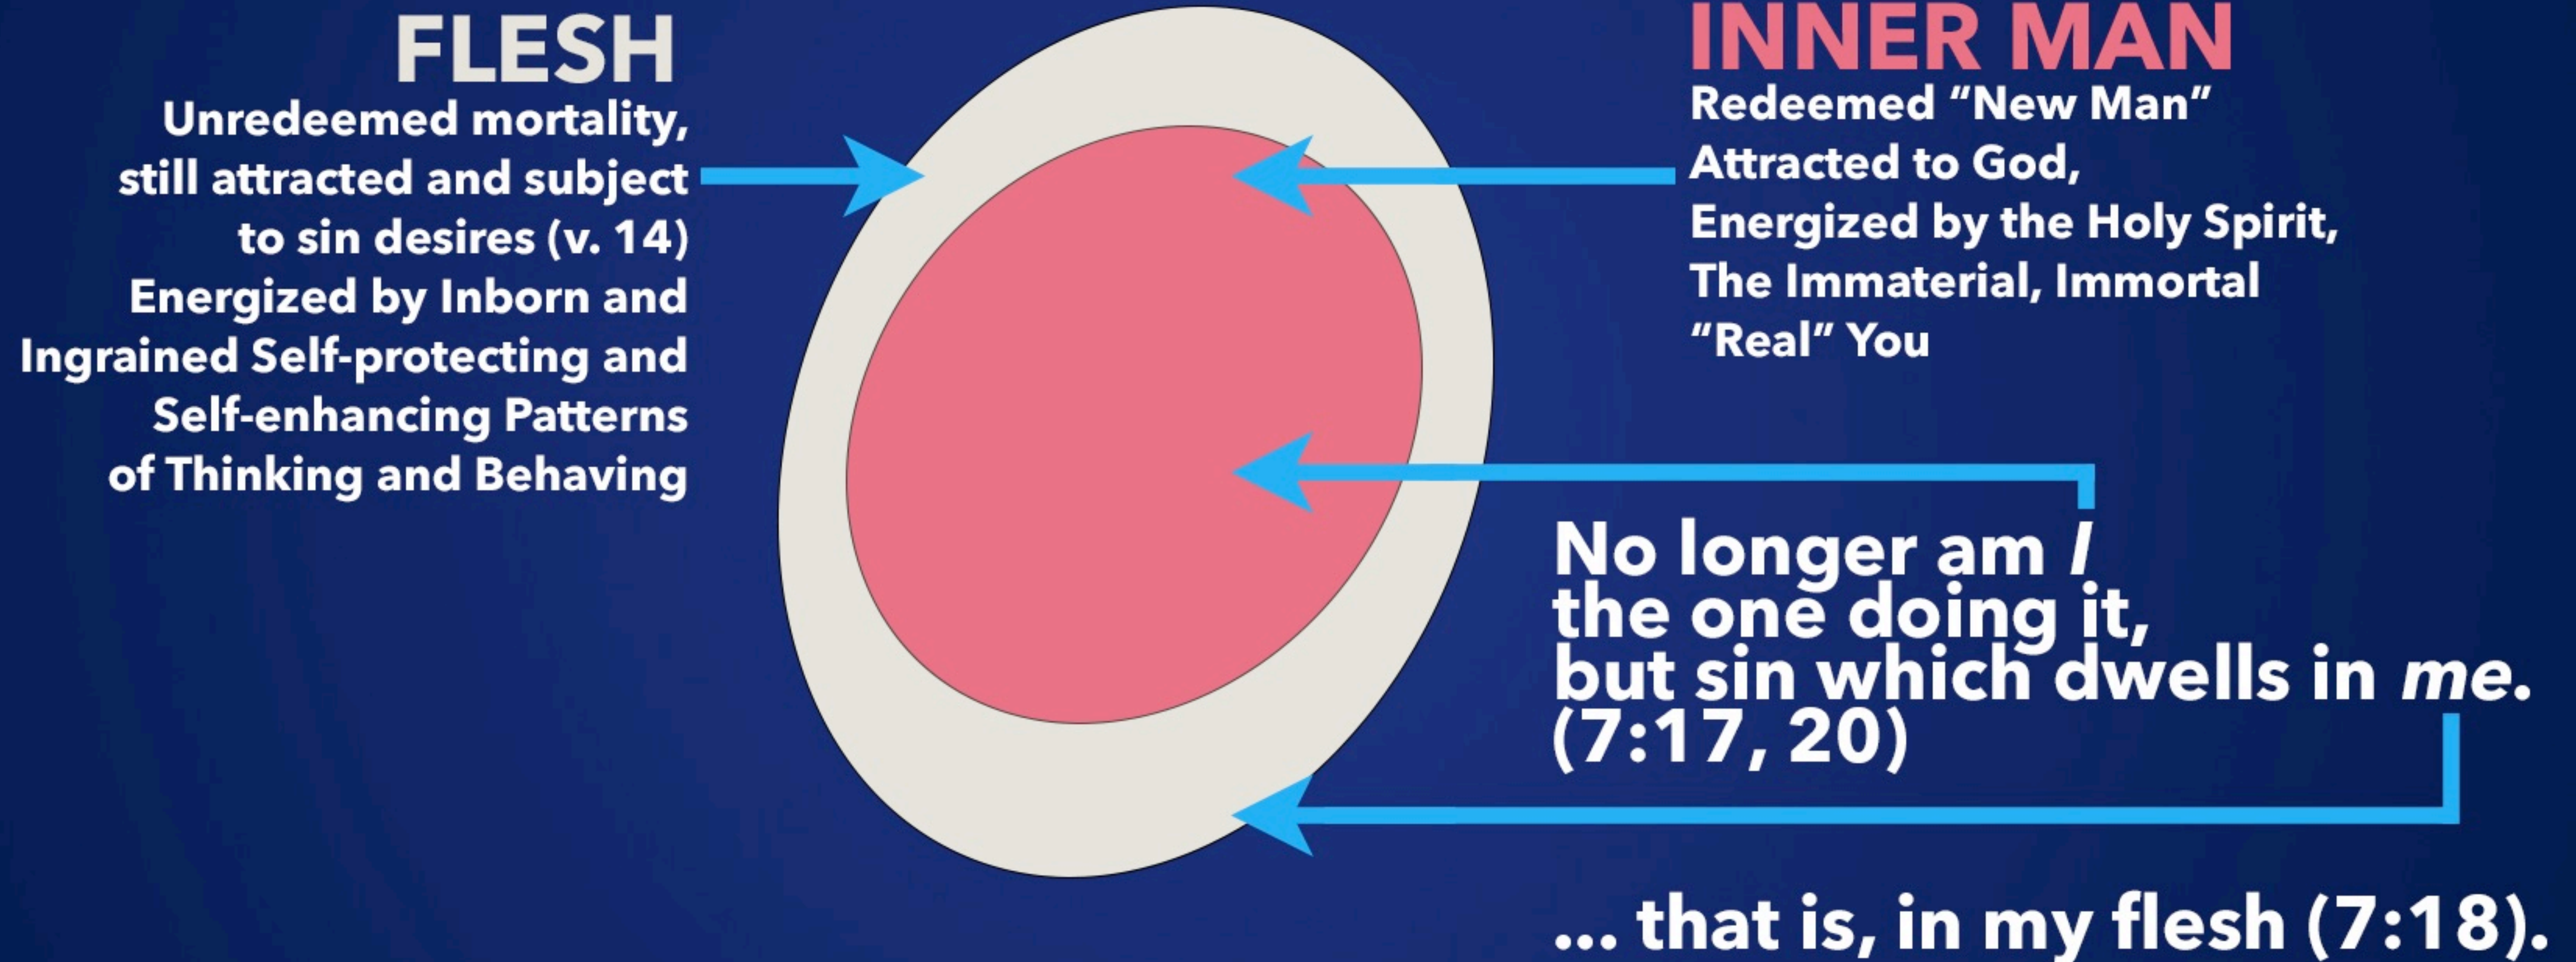

**We find implied here in Romans 6:12
and running all the way
through chapter 7,
Paul's understanding of
"Basic Christian Anatomy."**

**Sin in our mortal bodies pulls
us toward sin in the world.**

**The more you learn to think of sin
as a separate entity from yourself,
then the more you will identify with
the New You God has made you to be.**

BASIC CHRISTIAN ANATOMY

I joyfully concur with the law of God in the inner man, but I see a different law in the members of my body, waging war against the law of my mind, and making me a prisoner of the law of sin which is in my members. (7:22,23)

**Sin is not you
and you are not sin.**

You are not your body.

**You are not your body.
Your body houses you.**

**Our problem is that we so
closely identify ourselves with Sin
that we miss what God has given
us and done for us in Christ.**

**The truth is, the power switch
of sin is off and you don't have
to turn it back on.**

**Wherever there is sin,
there is death.**

**The more you identify yourself with sin,
the more you will give in to sin.**

**The more you learn to identify yourself
with the New You God has made you to be,
the more victory over sin you will see.**
