

# CORE VALUES

FELLOWSHIP GREENVILLE

SERMON TITLE: Living in Integrity

SCRIPTURE: Selected Scriptures

DATE: January 23, 2022

PASTOR: Charlie Boyd

---

At Fellowship Greenville, there are seven core values we believe Jesus modeled for us to show us how to live as his disciples. As these values become part of who we are, people are introduced to a life with Jesus while being called to belong in community and serve others with no expectation of return. So the question is... how do we live out each of these values in our own lives, with our friends and family, and in our daily interactions? In this series, we'll unpack what these seven core values look like in the life of Jesus and lay a foundation for ongoing discussions within community groups.
