## ONE YEAR AT THE FLUEGEL ALUMNI CENTER

We at the U.S. Naval Academy Alumni Association & Foundation are filled with great enthusiasm and pride as we reflect on our first year at the Fluegel Alumni Center. Our new building has quickly become a cherished venue for a wide range of events, including **weddings, midshipmen-centered gatherings, reunions, retirement parties** and **conferences**. The overwhelmingly positive feedback from our clients and our success in hosting **nearly 200 diverse events** in this inaugural year reflect our commitment to making every event *special* and to fostering a stronger connection with the Academy and its mission. As we look ahead, we are excited for even more opportunities to serve and connect with our community in the years to come.

*"The Fluegel Alumni Center is, quite simply, a game-changer supporting our ability to connect and engage with alumni. Funded purely through the generosity of our alumni, the Fluegel Alumni Center is a premiere event venue, a fantastic office space for our employees and offers incredible sight lines of Annapolis. I personally thank our alumni for making this happen."*
