

Magazine Lists

The following list of magazines are only those believed to be in the Public Domain based on my initial research. As I am not a copyright attorney, please do your own due diligence to verify the status of any magazine you decide to use content from. Also, this is NOT an all-inclusive list for these categories, but a great starting point. In other words, there are likely magazines I have missed!

Tony Laidig

Children's Magazines

American Child. Irregular 1919

American Girl. Monthly 1917

Boys' Life for All Boys. Monthly 1911

Child. Monthly 1936

Child Development. Quarterly 1930
