Performance Notes

Sing Noel is a holiday piece written for groups beginning to sing two parts. In the beginning everyone sings the melody. In some sections the melody is sung by Part I while Part II sings an easy descending line and harmony. In other sections the melody is sung by Part II while Part I sings a simple descant.

Syncopation in the vocal and piano parts adds excitement and joy to the piece. Rhythm instruments may be added playing a dotted quarter note, dotted quarter note, quarter note rhythm in the A sections (measures 1 – 12, 22 – 29 and 39 – 56) and playing on every quarter note in the B sections and ending (measures 13 – 21, 30 – 38 and 57 – 60).

When performing this work, the tone quality should be light and happy. Make a distinction between the more legato lines and the syncopated lines. Enjoy the music and help your audience feel the holiday spirit!
