Program Notes

Pivot Man is the eleventh Harold Bennett (aka Henry Fillmore) march that I have arranged. It has been my endeavor over the past ten years to breathe new life into these delightful little marches. Fillmore was a master of the march form, and his tunes are just first-rate. This particular march from the famous *Bennett Band Book* series is a bit more difficult than the ones I have done up to this point. It is very reminiscent of the most famous Bennett march *Military Escort*. It is great for teaching younger students the march style and form. Like most of the Bennett marches there is no "break strain," but there is the standard modulation to the subdominant at the Trio. All that I have done with this march is to edit the instrumentation to better to fit the needs of today's young bands.

The original keys of the march are retained in this arrangement. This is one of the few Bennett marches that I know of where Fillmore actually indicated orchestration changes at the Trio. Therefore, I have incorporated these changes into this arrangement by writing out the Trio both times instead of having a repeat. Fillmore liked his marches fast and fun. I hope you will play it that way!

It has been my pleasure to have the opportunity to write this piece. I hope you and your students enjoy it and find it useful for your program.

About the Arranger

Music by Larry Clark (b. 1963) is some of the most popular and most performed by concert bands and string orchestras of all ability levels. Larry is equally adept at writing music for beginners as he is for high school and college ensembles. His music is tuneful, contains a fresh harmonic perspective, is well scored and stretches the musicianship of the performers. He prides himself on producing music that is not only intriguing to performers and audiences alike but that contains a playability that comes from a keen understanding of the technical difficulties inherent in all instruments. His pieces have been performed internationally and appear on numerous contest/festival performance required music lists. He is an ASCAP award-winning composer, has over 200 publications in print and is in demand to write commissions for bands and orchestras across the country.

Besides his abilities as a composer Larry serves as Vice President, Editor-in-Chief for Carl Fischer Music. In this capacity he oversees all publications in all genres for this esteemed music publisher. However, his main focus is on selecting, editing and producing concert band and string orchestra music for the company. He travels the world representing Carl Fischer Music doing clinic/workshops and guest conducting appearances. His background as a former middle school and university band director at Syracuse University, combined with his composing and editing, have placed Larry at the forefront of music for school ensembles. He holds a Bachelors Degree in Music Education from Florida State University and Masters Degrees in Conducting and Composition from James Madison University in Virginia. The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.

Young Performance Series

- Addition of a separate Trombone and Baritone part
- Addition of simple sixteenth-note rhythms
- Clarinet 2 still below break
- Low brass writing carefully considered
- Keys carefully considered
- Logical voice leading
- Still limited independence of parts
- Active percussion writing with more instrument options
