Program Notes

A feature for the tuba section or tuba soloist, *Tubasaurus Rex* will put your tubists in the spotlight and make them feel like kings. Containing the opportunity to demonstrate both a light march and swing styles, everyone in the band will enjoy performing this number. Consider using *Tubasaurus Rex* both to highlight your students and with a repeat performance with a guest artist. An advanced version of the solo tuba part is included in the set. If the advanced tuba part is being played, then the tuba section will play only those phrases marked *tutti*.

Dedicated to Tucker R. Jolly, Professor of Tuba and Euphonium, The University of Akron (Ohio), *Tubasaurus Rex* was premièred by the university Junior High Band Camp (2010) with the tuba section featured (regular version) and Professor Jolly as soloist (advanced).

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.

Young Performance Series

- Addition of a separate Trombone and Baritone part
- Addition of simple sixteenth-note rhythms
- Clarinet 2 still below break
- Low brass writing carefully considered
- Keys carefully considered
- Logical voice leading
- Still limited independence of parts
- Active percussion writing with more instrument options
