Program Notes

Converse Fantasy was commissioned by the Wingate University Wind Ensemble, Dr. Dawn Perry, conductor. The work was commissioned in honor of Dr. G. Byrns Coleman, Professor of Humanities and Religion on the completion of fifty years of service to the university. The composition is based on one of Dr. Coleman's favorite hymn tunes, "Converse," commonly known as "What a friend we have in Jesus."

The composition opens with a fanfare composed of motives from the hymn tune. The motives revealed by trumpet 1 (motive 1, m. 1), low brass and low reeds (motive 2, m. 2), and upper woodwinds (motive 3, m. 3) are derived, respectively, from mm. 1, 3 and 11–12 of the hymn. These motives serve as the principal material for the composition.

The low brass and reeds take the melodic lead in the initial section (A) that follows the introduction (m. 21). The melody is based on an augmentation and extension of motive 2, and the woodwinds interject statements of motive 1. The saxophones and horns take the lead at m. 39 (section B). The melody is based on an augmentation of motive 3. The percussion present a transition (m. 53) that leads to an abrupt pause. The lyrical melody of the *Adagio* section (C) is based on an inversion of the hymn tune. A partial statement of the hymn tune in its original form appears at m. 82. A developmental re-transition (m. 96) leads to a varied restatement of section A (m. 110) with the woodwinds taking the lead instead of the low brass and low reeds. A varied restatement section B follows (m. 126.) The percussion section ushers in a majestic *tutti* statement of the hymn (m. 144). A coda derived from the introduction material (m. 158) closes the composition.

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.

Concert Performance Series

- Expanded instrumentation to 2 Flute, 3 Clarinet, 3 Trumpet, 2 Horn and 2 Trombone parts
- Expanded use of rhythms, ranges, keys, but technical demands are still carefully considered
- Generous cross cueing of exposed or solo parts
- Expanded percussion writing, within reason, for maturing students
- Careful selection of keys and degree of difficulty for advancing musicians
