Program Notes

This arrangement of Tchaikovsky's *Capriccio Italien* is intended for a moderately advanced band. The themes and their interpretation are so well known that further discussion here would be superfluous; however, students will certainly benefit from listening to a recording of the original music. This arrangement has been recorded by Carl Fischer. It is available on line free of charge.

Percussion parts are left essentially as Tchaikovsky wrote them. They include bells, four timpani, bass drum, crash cymbals, triangle and tambourine.

The fourth timpani is included to accommodate the A natural at mm. 193 and 197. It may be omitted if necessary.

Bells will require two mallets for simultaneous notes.

The triangle will require two strikers for rapid rhythmic passages.

Highly recommended are a large pair of cymbals, a high quality tambourine and a good bass-drum mallet.

Thank you for choosing this arrangement. I hope your students and audience will find it instructive and enjoyable.

About the Arranger

Joseph Compello, a native of Carbondale, Pennsylvania, holds degrees in music education from the Peabody Conservatory and Towson University. During his thirty-one year career as an instrumental music teacher in Maryland, he wrote numerous compositions for his students.

In 1994, Carl Fischer began publishing many of these classroom-tested pieces including his debut publication *Cadets on Parade*, and the 1996 Best-seller *Rock to the Max, Mr. Sax*. Compello's journey from school teacher to internationally published composer was recently chronicled in the Baltimore Sun. His music is now performed worldwide in venues ranging from school concerts to Carnegie Hall. Now retired from teaching with over 100 published works to his credit, Compello continues to draw on his extensive background in music education to compose new music exclusively for Carl Fischer's Performance Series.

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.

Concert Performance Series

- Expanded instrumentation to 2 Flute, 3 Clarinet, 3 Trumpet, 2 Horn and 2 Trombone parts
- Expanded use of rhythms, ranges, keys, but technical demands are still carefully considered
- Generous cross cueing of exposed or solo parts
- Expanded percussion writing, within reason, for maturing students
- Careful selection of keys and degree of difficulty for advancing musicians
