REHEARSAL & PERFORMANCE NOTES

Since I'm assuming you'll only use this on an actual New Year's gig, I won't instruct you to bring party hats, cheap noisemakers, and cheaper champagne.

During the first statement of the theme, the wind players should think *tipsy*. I know, this may be a stretch for the saxophone section.

Unlikely.

Once the tempo picks up, it's straight-out swing. You know what to do!
