* "I looked, and a whirlwind came out of the north -- a great cloud with flashing lighting, surrounded by brilliant light. The fire looked within it looked like glowing metal, and in the fire was the likeness of four living creatures. Above the heads of the living creatures was a great expanse, sparkling like ice and awesome. Upon the expanse over their heads was a throne, appearing as a sapphire stone, and high above on the throne was a figure like that of a man. His head and hair were white like wool, as white as snow, and his eyes were like a flame of fire. His feet were like brass burning in a furnace, and his voice was like the sound of rushing waters. He held in his right hand seven stars, and out of his mouth came a sharp two-edged sword.
