

Editor's Note

Wolfgang Amadeus Mozart (1756-1791) was one of the most notable composers of the Viennese Classical style. Revered today as an extremely talented composer in the many forms of the Classical era, his sacred choral works consisted of Masses, a Requiem, and miscellaneous works for various performance occasions.

Mozart composed his *Requiem* at the request of Count Walsegg for performance at a memorial service for Walsegg's late wife. The entire "Introit" and "Kyrie" movements and portions of some of the other movements were written by Mozart before he died on December 5, 1791 in Vienna. Mozart left us the vocal parts, a figured bass, and sketches of the orchestration for the "Dies Irae". Franz Xavier Süssmayr, Mozart's friend and pupil, completed the orchestration for the "Dies Irae" as well as other unfinished portions of the work.

Scored originally for S.A.T.B. voices with an accompaniment of basset horns (alto clarinets), bassoons, trumpets, timpani, strings, and continuo, this new edition includes a keyboard reduction of the instrumental parts as the accompaniment. Modern clefs, a tempo indication of $\text{♩} = \text{ca. } 132$, and optional English words have also been added by the editor. Arrangements of this chorus for S.A.T.B. (5785), 3-part mixed (5786), and T.T.B.B. (34780) are also available.

This expressive text about the Last Judgement should be conveyed in performance by a very rhythmic and energized presentation, always emphasizing the normally stressed syllables. Accent marks are indicated over those syllables in the following Latin pronunciation guide.
