PROGRAM NOTES

Forever Grateful is a work for young band commissioned by the Damascus High School Music Boosters, Damascus, Maryland, for the dedication of the school auditorium to honor Matt Kuhn, former director of bands. From 1962–1993, Mr. Kuhn led the instrumental ensembles, and his tenure left a lasting impact on the community.

The work's soaring melodies, driving percussion rhythms, and the use of non-traditional harmonies come together to create a fanfare-like tour de force for young band.

NOTES TO THE CONDUCTOR

The opening measures should be played with a marcato style along with a uniform approach to the forte-piano markings, as well as the crescendos that follow. At measure 9, the tempo should be 144 bpm. However, ensemble precision is of utmost importance, and a slightly slower tempo can be taken if needed. The A theme is stated beginning with the pickups to measure 13 by the flutes and alto saxophones with oboe, baritone, and bells joining in at measure 20. Here, and throughout the piece, proper balance and dynamics within the ensemble will allow the melodic material to be heard. The B theme is played by the trumpets in measure 29 with flute, oboe, clarinet 1, and bells joining at measure 37. A development section begins at measure 43 with a repeating four-measure vamp-like pattern. Throughout this passage, the dynamics should gradually build so the ensemble arrives at fortissimo at measure 57. At measure 59, the key changes to F major and a restatement of the A theme occurs. Here, a small ensemble consisting of solo flute, clarinet 1, bass clarinet, alto saxophone, and shaker perform the theme before the entire ensemble without trumpets enters in measure 66. Solo clarinet 1 and trumpet 1 restate the B theme at measure 75. Here, the dynamic level of the accompaniment may need to be adjusted so the soloists can be heard. The piece should continue to build to the fortissimo in measure 88. The maestoso ending should be played strongly, forcefully, and with a good tone. Measure 94 should be played at 160 bpm. Again, precision is key, and a slightly slower tempo can be taken.

I hope you and your students enjoy studying and performing *Forever Grateful*.
