PROGRAM NOTES

Off the Line! is an old term for a marching band opener. This accessible concert fanfare is a great way to open your concert or contest program.

NOTES TO THE CONDUCTOR

Articulations should be crisp and clean. Accents should have emphasis and staccatos should be short, but with a full sound, and not a "dut" or a cutoff sound. The rhythm and articulation exercises will help with execution.

There are numerous teaching opportunities throughout for slurring, legato tonguing, phrasing, intonation, and dynamic shaping. There are also opportunities to introduce or reinforce a simple single-finger trill for flute and oboe.

As always, feel free to adjust tempo and dynamics to suit your ensemble and performance venue.

I have enjoyed writing *Off the Line!* Best wishes for an energetic performance!
