PROGRAM NOTES

Commissioned for the Coe College Middle School Band Festival, **Cedar River Celebration** incorporates musical energy, flowing melodies and beautiful lush harmonies. Written in overture form, a powerful introduction is the prelude to the main theme, and a whimsical melody is passed through several choirs of instruments. The lyrical slower section is a variation of the primary melody followed by a recapitulation of the main theme.

NOTES TO CONDUCTOR

The opening tempo should be closely observed making sure the main theme at m. 10 is not hurried. All rhythmic accompaniments at m. 10 should be light and airy. Care should be taken at m. 22 as the percussion is no longer providing a pulse. M. 28 through m. 34 should be a dramatic build of the volume and intensity. The slow lyrical section will give you an opportunity to construct flowing legato phrases. M. 80 is the climax of this slower section and should be dramatic and bold. A simple fugue at m. 96 returns us to the faster tempo and a recapitulation of the main theme.

I hope you and your students enjoy preparing and performing **Cedar River Celebration**. Thank you for performing my music.
